

Peace, Lovesick

I don't wanna go to school
I don't wanna take the call
I just wanna be a fool and get lovesick with you
I don't wanna move my head, lay around and die in bed
I don't wanna listen

I wanna get lovesick with you
I wanna get lovesick
I wanna get lovesick with you
I wanna get lovesick
I wanna get lovesick with you
I don't wanna make no sense
I don't wanna pay the rent
I just wanna lay down dead and get lovesick with you

I wanna get lovesick
I wanna get lovesick with you
I wanna get lovesick
I wanna get lovesick with you

You don't need to drink or eat, stay awake or go to sleep
Trust me baby, I'm the creep and I'm lovesick with you
And I'm lovesick with you

I wanna get lovesick (I don't wanna make no sense)
I wanna get lovesick with you (I don't wanna pay the rent)
I wanna get lovesick (I just wanna lay down dead)
I wanna get lovesick with you
I wanna get lovesick
I wanna get lovesick with you
I wanna get lovesick
I wanna get lovesick with you
