

Peach Weber, Sun-Fun

Sun fun and nothing to do
(everybody)
come on baby I love you
sun fun and nothing to do
only you mein schatz and the luftmatratz

(and now we say it with the melody)

sun fun and nothing to do
come on baby i love you
sun fun and nothing to do
only you mein schatz and the luftmatratz

(I have more text)

the whole day we do the body grill
and look at the girls through the sonnenbrill
I jump in the water very cool
and then i go back to the liegestuhl

sun fun and nothing to do
come on baby i love you
sun fun and nothing to do
only you mein schatz and the luftmatratz

(and now I make e solo on my bckses)

sun fun and nothing to do
come on baby i love you
sun fun and nothing to do
only you mein schatz and the luftmatratz

I drink much wiskey and wodkalimon
yes that is my vollpension
on the beach there is a richtig seil
and the richtig seil is very geil

sun fun and nothing to do
come on baby i love you
sun fun and nothing to do
only you mein schatz and the luftmatratz

the girl there with the hot bikini
wonder cool blick and she is mini
I come and make me it bequem
and you give me from your sonnencrme

sun fun and nothing to do
come on baby i love you

when the girl is not pretty it makes not much
hauptsach on the luftmatratz

sun fun and nothing to do
come on baby i love you
sun fun and nothing to do
only you mein schatz and the luftmatratz
