

# Peaches & Herb, Close Your Eyes

Close your eyes (close your eyes), take a deep breathe (ahhh!)  
Open your heart (open your heart), and whisper  
I love you, I love you,  
Tell me you love me, tell me you love me,  
You love me, You love me.

Hold me tight, (hold me tight), don't say good-night (don't say  
good-night)  
We've got the time  
Everything's gonna be alright  
Just hold me darling, never let me go, and tell me  
You love me, you love me, you love me.

Oh no no, (oh no no) even though (even though)  
This is not the way I want it to be  
But if you must pretend  
That's alright with me

Close your eyes (close your eyes), take a deep breathe (ahhh!)  
Open your heart (open your heart), and whisper  
I love you, I love you,  
Tell me you love me, tell me you love me,  
You love me, You love me.
