

# Pearl Jam, I've Just Seen Your Face

I've just seen a face  
I can't forget the time or place where we just met  
She's just the girl for me  
I want all the world to see we've met  
Da,da,da,da-da,da...

Had it been another day  
I might have looked the other way  
Adn I'd have never been aware  
As it is I'll dream of her tonight  
Da,da,da,da-da,da...

Oh,yeah,yes I'm fallin'  
And she keeps callin' me back again
