Pearl Jam, Long Road

I wished for so long...
I cannot stay
All the precious moments...
Cannot stay
It's not like wings have fallen...
I cannot say
Still something is missing...
I cannot say

Holding hands of daughters and sons In their phase they're falling down Down, down, down

I have wished for so long... How i wish for you again

Will i walk the long road? I cannot stay There's no need to say goodbye

Oh, the friends and family... All the memories going round Round, round round...

I have wished for so long... How i wished for you today

And the wind keeps rollin'
And the sky keeps turning grey
And the sun is set
The sun will rise another day

I have wished for so long... How i wish for you today

I have wished for so long... How i wish for you today Will i walk the long road? We all walk the long road
