

# Pearl Jam, My Way

And out isn't perfect  
My friends,I'll say it too  
Stay my case,of which I'm certain  
I've lived a life as full  
I've travelled each and every highway  
Oh,and more,as more gets...  
I did it my way

Regrets,I've had a few  
But they're too few to mention  
I did what I had  
It's all through without exemption  
I play each charted course  
I've travelled each and every by-way  
And more,much more than this...  
I did it my way...

Well twice,I'm sure you knew  
When I bit off more than I could chew  
I knew it all,without a doubt  
I ate it up and I had to spit it out  
I passed it on,and I stood tall  
And I did it my way...
