

# Pearl Jam, Porch

what the fuck is this world  
running to?

you didn't leave a message  
at least I could have  
heard your voice one last time.

daily minefield  
this could be my time  
how 'bout you?  
would you hit me?  
would you hit me?

all the bills go by  
and initiatives are taken up  
by the middle  
there ain't gonna be any middle any more

and the cross I'm bearing home  
ain't indicative of my place  
left the porch  
left the porch

hear my name  
take a good look  
this could be the day  
hold my hand  
walk beside me  
I just need to say...

hear my name  
take a good look  
this could be the day  
hold my hand  
lie beside me  
I just need to say  
what can I take?  
I just want to be  
I know that i would not ever touch you  
hold you  
feel you  
ever hold  
never again
