

# Pearl Jam, Rear view mirror

I took a drive today  
Time to emancipate  
I guess it was the beatings  
Made me wise  
But i'm not about to give thanks  
Or apologize  
I couldn't breathe...  
Holdin' me down...  
Hand on my face,  
Pushed to the ground...  
Enmity gauged...  
United by fear...  
Forced to endure  
What i could not forgive...  
I seem to look away  
Wound in the mirror waved  
It wasn't my surface most defiled  
Head at your feet...  
Fool to your crown...  
Fist on my plate...  
Swallowed it down  
Enmity gauged,  
United by fear...  
Tried to endure  
What i could not forgive  
Saw things...  
Saw things...  
Saw things...  
Saw things...  
Clearer...  
Clearer!  
Once you in my rear-view mirror...  
I gather speed  
From you fucking with me...  
Once and for all...  
I'm far away...  
I hardly believe...  
Finally the shades...are raised...  
Saw things so much clearer  
once you, once you...  
(x4)  
Rearviewmirror...
