

# Pearl Jam, State Of Love And Trust

State of love and trust as I busted down the pretext  
Since their plays and preachers went to heaven and to court, uh huh  
And the signs are passin', grip the wheel, can't read it  
Sacrifice receiving the smell that's on my hands...hands...yeah  
And I listen for the voice inside my head  
Nothin', I'll do this one myself

Lay her down as priest does, should the Lord be a countin'  
Will be in my honor, make it pain, painfully quick, uh huh  
Promises are whispered in the age of darkness  
Want to be enlightened like I want to be told the end, end, yeah...  
And the barrel shakes, and, a-directly at my head  
Oh, help me, help me from myself  
And I listen, from both sides of a friend  
Nothin', I'll do this one myself  
Uh huh, huh, oh...  
Myself...myself...

Yeah, yeah...  
Hey, na, na, na, na, hey, that's something (3x)  
Wanna back, back it away, yeah, huh, uh  
And I listen, oh, for the voice inside my head.  
Nothin', I'll do this one myself  
Oh, ah, and the barrel waits, trigger shakes, aimed right at my head  
Won't you help me, help me from myself

Hmm...State of love and trust, and a...  
State of love and trust, and a... (2x)  
State of love and...yeah...
