

Pearl Jam, Untitled (Live Lisbon)

It's been two years
It feels like home...
Things can't be the same
Wherever you go...
I miss you...
I don't know
if you're gonna call me at home
If I go I don't want to feel alone
Let's get away,
have some drinks
light my smoke
It's all about the simple things
Lucky ones!
They are all in love.
If I go I don't want to feel alone
With you I could never feel alone...
Alone...
Alone...
