

# Pearl Jam, You Are

This broken wheel is coming undone  
And the roads exploding  
But you're keeping me strong  
Rolling along with you,...

Love is a tower  
And you're the key  
Leading me higher  
When you let me in

Keeping us close,... so close  
On down the line

Sometimes I burn like a dot on the sun  
With no one knowing  
But you're keeping me strong  
Rolling along with you

You are a tower of  
Strength to me  
The darkening hour  
Sees light again

Ooh wah, ooh wah, you are...

Love is a tower  
Of strength to me  
I am the shoreline  
But you're the sea

You are.
