# Peder Eide, What A Ride

I wanna shine like a light in the darkness. I wanna spray my share of sparks. I wanna serve like Mother Teresa, Sit up front like Rosa Parks.

### **CHORUS**

All the way to my final days I want to live so I can say, " What a ride What a ride!"

I wanna hear a song like Motzart, See like van Gogh on a starry night. I wanna dream a tale like Tolkein, Tell what's true, what's wrong, what's right.

## **CHORUS**

I wanna take a step like Neil Armstrong, Dive as deep as Jacques Cousteau. I wanna be where the spirit leads me, Only stop when the world says, "Go."

## **CHORUS**

I wanna celebrate all I'm lacking. I wanna elevate joy to an art, Overcome like Helen Keller, See with my soul, hear with my heart.

#### **CHORUS**

I wanna fix my eyes on Jesus. I wanna please the great I AM!
