

# Pedestrian, Ghostly Life

Here I sit silent and anonymous  
Watching as the paisley smoke scrolls by  
Take a breath and hold it in  
Suffocate in ghostly life  
Funny how it simply takes its time

Gathered all my special things and threw them in a bag  
Strategically I place my foot and stand  
Careful not to slouch this time, careful not to trip  
I guess this is exactly who I am

I'm fine, I'm fine, I'm fine  
Fine, I'm fine, I'm fine  
Fine, I'm fine, I'm fine  
Fine, I'm fine, I'm fine  
Fine, I'm fine, I'm fine  
Fine, I'm fine, I'm fine
