

# Pedro The Lion, Rehearsal

It's Priceless when you said you had to work late  
When we both know you're at a motel  
Here's the thing that's so much more depressing  
Than the infidelities itself

Darling, you are so unoriginal  
Each move, more obvious  
Than the one before it

You know I've always said that I would kill you  
If I ever caught you stepping out  
But now I see I did not know the half of  
What hatred and regret were all about

Darling, you are so unoriginal  
Each move more obvious  
Than the one before it

I guess I could be bigger but I'd rather make you pay

Darling you are so unoriginal  
You'll see that I can be so unoriginal  
Just like you
