

Pegboy, Field Of Darkness

Sunday and Im feeling bored
and Im feeling like my head is tore
just cant take it anymore
still when I walk on at night
Im feeling like my head is fried
just cant fake it anymore
Field of darkness
Field of darkness
Field of darkness
Field of darkness

Darkness
Darkness
Sometimes when I get caught up
And a part of me starts to go
Just cant fake it anymore
Still when I walk on at night
Im feeling like my head is tied
Just cant take it anymore

Field of darkness
Field of darkness
Field of darkness
Field of darkness

Darkness
Darkness
What I want to
Said I have to
Still dont want to

Stay
Sometimes when I get caught up
and a part of me starts to toll
just cant take it anymore
Now when i go out at night
Im feeling like my hands are tied
Just cant fake it anymore

Field of darkness
Field of darkness
Field of darkness
Field of darkness

Darkness
Darkness
