

Pegboy, Strong Reaction

-----Verse

Left all alone to bear your soul
and the feeling in your heart is low
I've seen so many passing ways
I see our whole lives slip away
and I want you back right now and

-----Chorus

I walk alone through the sleet and snow and pouring rain to
get my heart broken, forever ever lost inside of
I walk along to slip and fall on strong reactions
keep my heart broken, never ever amend myself
that's alright and that's okay

-----Verse

Of all the times I've sated free
you ask for things I cannot be
and I've read so many times before
and I see it all drop out the door
and I want it back right now and
