

Pegboy, Superstar

If I could be a superstar
I'd get away would go far
and I would get away, get away from here
Sometimes when I'm all alone
a part of me starts to roam
and I could get away, get away from here
With all the things that I do
I'm tired of playing for you
I'm done wasting my time
got to live my own life
There's nothing better to do
than sit here and playing for you
I'm not wasting my time
got to live my own life
Sometimes when I'm all alone
a part of me starts to roam
and I could get away, get away from here
All at once I realize
my thoughts and dreams all where lies
and I can't get away, get away from here
With all the things that I do
I'm tired of playing for you
I'm done wasting my time
got to live my own life
There's nothing better to do
than sit here and playing for you
I'm not wasting my time
got to live my own life
All at once I realize
my thoughts and dreams all were lies
and I can't get away, get away from here
If I could be a superstar
custom plane, fancy car
I could drive away, drive away from here
With all the things that I do
I'm tired of playing for you
I'm done wasting my time
got to live my own life
There's nothing better to do
than sit here and playing for you
I'm not wasting my time
got to live my own life
