

# Peggy Gou, I Believe In Love Again (feat. Lenny Kravitz)

You control my fire  
Baby, you have got it all  
You've got my body and my spirit  
Winter, spring, summer, or fall  
You've got me writhing to your rhythm  
Even when I'm feeling small  
Oh yeah  
You got me rockin' to your rhythm  
And you've got me feeling tall

I believe in love again  
I believe in love again  
Oh, oh-oh, oh  
I believe in love again  
I believe  
I believe in love again  
I believe in love again

Tonight  
You know that  
You're gonna find  
What you're looking for  
You and I  
To feel you're in a dancefloor  
Baby, please  
C'mon

When I'm uninspired  
And I'm down and feeling low  
You take me higher  
There's no limit  
To the places I can go  
And when I dive into your river  
Where the crystal waters flow  
Oh yeah  
That is the moment I'm delivered  
Baby, never let me go  
Don't let me go

I believe in love again  
I believe in love again  
Oh, oh-oh, oh  
I believe in love again  
I believe  
I believe in love again  
I believe in love again  
I believe in  
I believe in love again  
I believe  
I believe in love again  
Ooh, ooh  
I believe in love again  
I believe  
I believe in love again
