

Pejot, Emotional Killer (feat. Patrycja Nowicka)

I love the way I feel
I'm drunk in love

You've got me feelin', disgust
I wanna fix you, tonight
Don't make me do it, please
Don't be a bad
Just try to be a good man

It's not a game
I'm not the same
You wanna play
So try
I'll show you what I got inside
I don't know if it's real
I like the way i feel
I'll show you what I got inside

I am Emotional Killer
And you just wanna be bad
I am Emotional Killer
Drink it up
Let's, let's drink it all
Pour me another one /4x
Killer, Killer
Mad

It doesn't matter what I'm feelin'
Alive!
I wanna kill you tonight
Don't make me do it, please
Don't be a vain
Just try to be a good man

It's not a game
I'm not the same
You wanna play
So try
I'll show you what I got inside
I don't know if it's real
I like the way i feel
I'll show you what I got inside

I am Emotional Killer
And you just wanna be bad
I am Emotional Killer
Drink it up
Let's, let's drink it all
Pour me another one /4x
Killer, Killer
Mad
Killer
/2x

Pour me!
