

Pencey Prep, Ten Rings

Learn to live with decisions that you made.
Learned things from the break that I can't forget.
Catch you doing drive-bys at 1 am,
It must kill you to know that we can't be friends.

End of the summer, you cut me off.
I cut you out of the pictures I have.
End of the summer, you cut me off.
I cut you out of all the pictures I have.

Stop calling my house.
Stop calling my house.
(my house, my house, my house, my house, my house, my house, my house)
Stop calling my house.

Living room, answering machine turned off.
Ten rings till I pick up and you hang up.
You made your bed to lie here with someone else.
I guess you better watch what you wish for.

End of the summer, you cut me off.
I cut you out of the pictures I have.
End of the summer, you cut me off.
I cut you out of all the pictures I have.

Stop calling my house.
Stop calling my house.
(my house, my house, my house, my house, my house, my house, my house)
Stop calling my house.

Stop calling my house (my house, my house, my house)
There's nothing left to say.
I won't answer the phone.
Your obsession is starting to lose its charm.
There's nothing to say.
I won't answer the phone.
We're over and done.
Stop calling my house.
