

Pencey Prep, The Secret Goldfish

I can't close my eyes.
I can't shut my eyes to you.
I can't close my eyes.
I won't shed a tear for you this time.

No matter how hard I try.
I break all the ties.
But heartbreak is forever.

Land of the lost,
I found myself in nothing.
This time, promises broken find me,
Clutching to you for something,
Something that you're not.
Believing in what you say
It makes me lie awake at night.
The truth, the truth is not what scares me;
It's why you have to lie
All the time.

I can't close my eyes.
I can't shut my eyes to you.
I can't close my eyes.
I won't shed a tear for you.
I can't close my eyes.
I can't shut my eyes to you.
I can't close my eyes.
I won't shed a tear.

Heartbreak is forever.
I found myself with nothing to believe in.
This time, promises broken find me.
Clutching to you for something all the time.

I can't close my eyes.
I can't shut my eyes to you.
I can't close my eyes.
I won't shed a tear for you.
I can't close my eyes.
I can't shut my eyes to you.
I can't close my eyes.
I won't shed a tear.

Not this time.
Cause heartbreak is forever (not this time),
heartbreak is forever,
heartbreak is forever (not this time),
heartbreak is forever,
and heartbreak is forever.
Nothing lasts forever.
