

# Pendulum, Tarantula

[Chorus]

The tarantula,  
Time for the massive come sing ya  
Blad tarantula  
Don&#039;t play with my style I might sting ya  
Blad tarantula  
You want me inject me bacteria  
And if ya body goin stiff  
And your spine goin numb  
Now come fi get some...

Massive! Time to fix you up something here right now!

[Verse]

Shotted, hitter, serial killer  
Go-a your funeral and all drink out your liquor  
When you are bury we a-stand next to the vicar  
Fling on some dirt and make your bury a little quicker  
Shouldnt test the youth them in the Tommy Hilfiger  
Hug up ya mama, say sorry to ya poppa  
All-a get number for ya little sister  
It true we cold like alaska, freezer
