

Pennywise, Bro Hymn (Another Version)

to all my friends present, past and beyond
especially those who weren't with us too long
life is the most precious thing you can lose
while you were here the fun was never-ending
laugh a minute was only the beginning
canton,calvin nickell this one's for you

ever get that feeling you cant go on
just remember who side it is your on
you've got friends with you till the end
if your ever in a tough situation
we'll be there, no hesitation
brotherhood's our rule which cannot bend
(whoaoaoaoa.....)

when your feeling to close to the bottom
you know who it is you can count on
someone will pick you up again
we can conquer anything together
all of us are bonded forever
if i die you die that's the way it is
(whoaoaoaoao.....)

to all my friends present past and beyond
especially those who weren't with us too long
life is the most precious thing you can lose
when you were here the fun was never-ending
laugh a minute was only the beginning
