Pennywise, Hotel California

[Originally by Eagles]

On a dark desert highway Cool wind in my hair Warm smell of colitas Rising up through the air Up ahead in the distance I saw a shimmering light My head grew heavy, and my sight grew dim I had to stop for the night There she stood in the doorway I heard the mission bell And I was thinking to myself This could be Heaven or this could be Hell Then she lit up a candle And she showed me the way There were voices down that corridor I thought I heard them say

[original chorus beat]

Her mind is Tiffany twisted
She's got the Mercedes bends
She's got a lot of pretty, pretty boys
That she calls friends
How they dance in the courtyard
Sweet summer sweat
Some dance to remember
Some dance to forget
So I called up the Captain
Please bring me my wine
We haven't had that spirit here since 1969
And still those voices are calling from far away
Wake you up in the middle of the night
Just to hear them say

[original chorus beat]

Mirrors on the ceiling Pink champagne on ice And she said We are all just prisoners here Of our own device And in the master's chambers They gathered for the feast They stab it with their steely knives But they just can't kill the beast Last thing I remember I was running for the door I had to find the passage back to the place I was before Relax said the nightman We are programed to recieve You can check out any time you like But you can never leave
