

# Pentangle, I've Got A Feeling

I got a feeling  
Concerning you  
You know I got a feeling  
Concerning you  
Concerning the things you do...  
I ain't dreaming  
When I think of you  
You know I ain't dreaming  
When I think of you  
When I think of what we gonna do  
I got a feeling  
Concerning you  
You know I got a feeling  
Concerning you  
Concerning the things you do...
