

# Pentatonix, Evolution of Michael Jackson

Oh baby give me one more chance  
Come on girl!  
When I had you to myself, I didn't want you around  
That pretty faces always made you  
Stand out in a crowd  
(I want you back)  
Oh baby, give me one more chance  
(To show you that I love you)  
Won't you please let me  
I want you back, oh no  
ABC, it's easy as  
123, as simple as  
Do re mi, ABC, 123  
Baby you and me girl  
You and I must make a pact  
We must bring salvation back,  
Where there is love, I'll be there  
(Ohh, you've got a friend in me)  
Dancing, dancing, dancing  
And shout  
Shake your body down to the ground  
Keep on with the force don't stop  
Don't stop 'til you get enough  
Keep on with the force don't stop  
Don't stop 'til ya  
I wanna rock with you  
(I wanna rock with you)  
All night  
Dance you into the  
(I wanna dance with you)  
Sunlight  
Billie Jean is not my lover  
She's just a girl who claims that I am the one  
But the kid is not my  
They told him don't you ever come around here  
Don't wanna see your face, you better disappear  
The fire's in their eyes and their words are really clear  
So beat it  
(Beat it)  
Beat it  
(Beat it)  
If you wanna be startin' somethin'  
You got to be startin' somethin'  
I said if you wanna be startin' somethin'  
You got to be startin' somethin'  
Looking out  
Across the nighttime  
The city winks a sleepless eye  
If they say,  
Why, why  
Tell 'em that it's human nature  
Why, why  
'Cause this is triller, thriller night  
So let me hold you tight  
And make a killer, diller, chiller, thriller  
Here tonight  
I just can't stop lovin' you  
I want to love you (P.Y.T.)  
Pretty Young Thing  
You need some lovin' (T.L.C.)  
Tender Lovin' Care  
And I'll take you there  
You know I'm bad, I'm bad come on  
You know I'm bad, I'm bad come on

You know it  
The way you make me feel  
(The way you make me feel)  
You really turn me on  
(You really turn me on)  
You knock me off of my feet girl  
(You knock me off of my feet)  
My lonely days are gone  
(My lonely days are...)  
I'm starting with the man in the mirror  
I'm asking him to change his ways  
No message could have  
Been any clearer  
If you wanna make the world  
A better place  
Take a look at yourself, and then  
Dirty Diana, Dirty Diana  
(Dirty Dia...)  
Annie, are you ok?  
Annie are you ok?  
Are you ok, Annie?  
You've been hit by,  
You've been hit by,  
A smooth criminal  
I took my baby  
To a saturday bang  
Boy is that girl with you  
Yes we're one and the same  
Now I believe in miracles  
And a miracle has happened tonight  
'Cause if you're thinkin' about my baby  
It don't matter if you're black or white  
Remember the time  
There's a place in your heart  
And I know that it is love  
And this place could be  
Much brighter than tomorrow  
There are ways  
To get there  
If you care enough  
For the living  
Make a little space  
Make a better place...  
Hold me  
Like the river Jordan  
And I will then say to thee  
You are my friend  
Carry me  
Like you are my brother  
(You are my brother)  
Love me like a mother  
(Like my mother)  
Will you be there?  
There are ways  
To get there  
If you care enough  
For the living  
Make a better place  
for you and for me\*
