~For us~

Now take off your little pants for me
~For Me~

~Never Forget~

There is a trick to make that pussy wet
~I'll Splooge for you~

Many dreams ... many creams

~I'll splooge for you~
~I'll splooge for you~
~I'll splooge for you~

I'm gonna give you something

~Ya yaaaaaa~

Guaranteed to make that pussy wet
~I'll splooge for you~

Now its time to go on with my life
~Ohhh yaa~

You were fun at one point in time
~time's gone noooooow~

Don't you think I am coming off of this cloud alone.

I'm still up on thought of a bowl...
~I'll Splooge for you~

Many days and many dreams
~I'll splooge for you~

Only you and many screams
~I'll Splooge for you~

I'm gonna give you something you wont forget

~I'll splooge for you~
It'll be on our favorite bed

~I'll splooge for you~
Many dreams

only you and many screams
gonna give you something you wont forget
and I'll be your end. I will know
