

Per Gessle, Saturday

It's Saturday and I'm sleepin' late again
Goin' down on a dream
It's Saturday
Kickin' the workin' week away is the greatest thing
It's a perfect day in a perfect world
Such a perfect day, what a perfect world
It's Saturday and it's rainin' constantly
It's the best God can do
It's Saturday and the man on the TV-screen
Wanna sell me some shoes
It's a perfect day in a perfect world
Such a perfect day, what a perfect world
Saturday- I'm not too sure if I'm laughin' or cryin'
Saturday- I'm tryin' to find a space of my own
It's Saturday and I'm sleepin' late again
oh the joy that it brings
It's Saturday
Kickin' the workin' week away is the greatest thing
It's a perfect day in a perfect world
Such a perfect day, what a perfect world
Saturday- I'm not too sure if I'm laughin' or cryin'
Saturday- I'm tryin' to find some space of my own
I'm tryin' to find some space of my own
It's such a perfect day
It's such a perfect day
It's such a perfect day in a perfect world
You better come on now
You better come on now
S-S-S-Saturday
I'm not too sure if I'm laughin' or cryin'
From album "The World According To Gessle"(1997)
