Pere Ubu, Sleepwalk

It ain&#039;t me
I walk the line brother
It ain&#039;t me
on the high wire
It ain&#039;t me
Calculate how far I can fall
it ain&#039;t nothin!
Somewhere
I see a face in a stream
I watch the dust in a beam
I work harder harder
to break away
from the grip of a dream
On a high wire
I live
and I breathe it
On a high wire
oh no
will I never be?

It ain&#039;t me
don&#039;t watch the sky brother
It ain&#039;t me
or the ground far below
It ain&#039;t me
or speculate how far I can fall
it ain&#039;t nothin!
On a high wire
I live
and I breathe it
On a high wire
oh no
will I never be?

It ain&#039;t me
I walk the line brother
It ain&#039;t me
on the high wire
It ain&#039;t me
Calculate how far I can fall
it ain&#039;t nothin!
Somewhere
I see a face in a stream
I watch the dust in a beam
I work harder harder
to break away
from the grip of a dream
On a high wire
I live
and I breathe it
On a high wire
oh no
will I never be free?
