

# Perfect Stranger, It's Up To You

(Jim Lauderdale/Gary Nicholson)  
(Track 2 - Time 2:36)

Can I come to your party  
I won't get in your way  
I'll stand there in the corner  
With not too much to say  
Except what you have heard by now  
At least a million times

It's up to you  
It's up to you  
I've done all I can do  
It's up to you

I've been your ivory tower  
It's hard to read your mind  
The letters and the flowers  
They're just my way to try  
They can't express how much I miss  
And wait for your reply

It's up to you  
It's up to you  
I've done all I can do  
It's up to you

Go search forever if you need the time  
I know someday you're gonna see the light  
I know it's right

Someday you'll know your only love  
Has been here all the time

It's up to you  
It's up to you  
I've done all I can do  
It's up to you  
I've done all I can do  
It's up to you  
It's up to you
