

Perry Blake, Coming Home

Coming home
I'm coming home
Coming home
I'm coming home

You dont have to hide
Living in someone elses dream
You don't have to lie
Living in someone elses dream
I don't want to die
Living in someone elses dream

Coming home
I'm coming home

Coming home
I'm coming home

You dont have to try
Living in someone elses dream
You don't want to die
Living in someone elses dream

Coming home
I'm coming home
