

Perry Blake, If You Don't Want Me

Clueless we soldiered on
Stillborn to worlds unknown
People who've never been
They cry no tears at all

If you don't want me
Let me know
If you don't need me
Then let me go
If you don't love me anymore
Then you don't love me any less

Clear skies were never mine
Dark clouds are all I've known
That people who've never seen
True love could only know

If you don't want me
Let me know
If you don't need me
Then tell me so
If you don't love me anymore
Then you don't love me any less

If you don't want me
Let me know
If you don't need me
Then let me go
If you don't love me anymore
Then you don't love me any less

You don't love me any less
