

Perry Como, Bella, Bella Sue

Bella, bella, bella Sue,
Bella, bella, bella Sue,
Bella, bella, bella Sue,
My heart belongs to you!

Stars were bright
that summer night
underneath the moonlit skies
As stars were bright
but not as bright
as the sparkle in your angel eyes!

Bella, bella, bella Sue,
Bella, bella, bella Sue,
Bella, bella, bella Sue,
My heart belongs to you!

Lucky me
that I should be
holdin' you as close as this!
And if I find
that you won't mind
I'd love to steal a little kiss!

Hmm, Bella, bella, bella Sue,

Bella, bella, bella Sue,
Bella, bella, bella Sue,
My heart belongs to you!

Someday soon,
perhaps in June,
Ah, we'll be standin' side by side
Ah when they play, oh promise me,
Oh, promise me you'll be my bride!

Oh, Bella, bella, bella Sue,
Bella, bella, bella Sue,
Bella, bella, bella Sue,
My heart belongs to you!

(Oh, Bella, bella, bella . . .)

Bella, bella, bella Sue,
Bella, bella, bella Sue,
Bella, bella, bella Sue,
My heart . . .
belongs to you!
