

# Perry Como, Bye Bye Little Girl

&lt; instrumental drum roll with horns &gt;

Bye bye, little girl, bye bye!  
Bye bye, little girl, bye bye . . .  
I want a love that's sweet an' good,  
A little bit more than I get from wood,  
Bye bye ( bye, bye ) little girl ( bye, bye )  
bye bye ( bye, bye, bye, bye ! )

Well you just can't be true to one,  
An' I can't stand you bein' true to two!  
I'll bet ya if you had three or four,  
You'd be lookin' round for more an' more,  
Bye bye ( bye, bye ) little girl ( bye, bye )  
bye bye ( bye, bye, bye, bye ! )

I think I'll catch the next train outta town,

Someday you'll want me around . . .  
Well you'll wind up with a broken heart,  
Think of me when the tear drops start,  
Bye bye, little girl, bye bye!

Bye bye bye, little girl . . .  
Bye bye, little girl, bye bye!  
I want a love that's sweet an' good,  
A little bit more than I get from wood,  
Bye bye, little girl, bye bye!

Bye bye ( bye, bye ) little girl, bye bye!  
Bye bye ( bye, bye ) little girl, bye bye!

Words and Music by Wayne P. Walker  
and Don Schroeder
