

Perry Como, Dream Along With Me (I'm On My Way To A Star)

Dream along with me, I'm on my way to a star
Come along, come along, leave your worries where they are
Up and beyond the sky, watchin' the world roll by
Sharin' a kiss, a sigh, just use your imagination!

On a cloud of love, we'll hear the music of night
We can wink at the moon as we hold each other tight
And if we go in the right direction, heaven can't be very far

Dream along with me, I'm on my way to a star!
< instrumental break >
(We can wink at the moon
as we hold each other tight . . .)
And if we go in the right direction, heaven can't be very far
Dream along with me, I'm on my way to a star!
