Perry Como, Here comes that song again

Here comes that song again soft in your arms I hear the words begin They promise this time the manual soft in your arms I hear the words begin They promise this time the manual soft in your arms I hear the words begin They promise this time the manual soft in your arms I hear the words begin They promise this time the manual soft in your arms I hear the words begin They promise the time the manual soft in your arms I hear the words begin They promise the time the manual soft in your arms I hear the words begin They promise the time the manual soft in your arms I hear the words begin They promise the time the manual soft in your arms I hear the words begin They promise the time the manual soft in your arms I hear the words begin They promise the time the manual soft in your arms I hear the words begin They promise the time the manual soft in your arms I hear the words begin They promise the time the manual soft in your arms I hear the words begin They promise the time the manual soft in your arms I hear the words begin They promise the time the manual soft in your arms I hear the words begin They promise the time the manual soft in your arms I hear the words begin They promise the time the words begin the time the tim
