

Perry Como, I Cross My Fingers

I cross my fingers,
every time that you kiss me goodnight,
I cross my fingers,
even though you were holding me tight,
You say you love me
and I know that's a very good sign,
still, I cross my fingers,
'till you're mine, all mine!
I cross my fingers,
every time that you kiss me goodnight,
I cross my fingers,
even though you are holding me tight . . .
You say you love me
and I know that's a very good sign . . .
still, I cross my fingers,
'till you're mine, all mine!
I cross my fingers,
every time that you kiss me goodnight,
I cross my fingers,
even though you were holding me tight,
You say you love me
and I know that's a very good sign,

still, I cross my fingers,
'till you're mine, all mine!
< instrumental verse with scat >
I would go there on my honeymoon,
if you were my girl . . .
< instrumental verse with scat >
It would be a storybook affair,
if you were my girl . . .
If you'd like some ice cream,
from the milky way,
I would shinny up the moonbeam,
an' bring you a rainbow parfait . . .
Just a sailin' along,
on the wings of a song,
with you by my side,
life would be a rolly coaster ride,
if you were my girl . . .
if you were my girl . . .
if you were my girl . . .
Music by Walter Kent
with lyrics by Walter Farrar , 1950
