

Perry Como, I Looked Back

You looked back to see if I looked back,
And I looked back to see if you looked back
To see if I looked back to see
If you were lookin' at me!

I looked back to see if you looked back,
When you looked back I felt my heart strings snap,
And heard a thunder clap
And saw the lightning striking at me!

Then I stood still, an' you stood still,
The world stood still, my heart stood still,
And O' the thrill that suddenly we knew,
The very, very moment . . .

I looked back to see if you looked back,
And you looked back to see if I looked back
To see if you looked back to see
If I was lookin' at you!

< instrumental verse >

Then I stood still, an' you stood still,
The world stood still, my heart stood still,
And O' the thrill that suddenly we knew,
The very, very moment . . .

I looked back to see if you looked back,
And you looked back to see if I looked back
To see if you looked back to see
If I was lookin' at you!

(. . . to see if you were lookin' at me!)

To see if I was lookin' at you, lookin' at me,
Lookin' at you . . . lookin' at me!
