

Perry Como, I Love You, Don't You Forget It

I love you an' don't you forget it,
I love you an' don't you forget it,
I love you an' don't you forget it, baby!

Love me too an' you won't regret it,
Love me too an' you won't regret it,
Love me too an' you won't regret it, baby!

I love you an' don't you forget it,
I love you an' don't you forget it,
I love you an' don't you forget it, baby!

I love you an' don't you forget it,
That makes seven times that I've said it,
I don't see how you can forget it now!

I love you in the springtime,
I love you in the fall,
I love you at a party,
We always have a ball!

And when you're in my arms dear,
I love you most of all . . .
In the morning an' in the evening,
An' when it's cloudy or clear,
I'm in love with you, so in love with you,

Every day of the year!

I love you an' don't you forget it,
I love you an' don't you forget it,
I love you an' nun't you forget it, baby!

Love me too an' you won't regret it,
Love me too an' you won't regret it,
Love me too an' you won't regret it, baby!

I love you an' don't you forget it,
I love you an' don't you forget it,
I love you an' don't you forget it, baby!

I love you an' don't you forget it,
That makes twenty times that I've said it,
I don't see how you can forget it now!

[pause]

I love you an' don't you forget it,
There, that's one more time that I've said it,
I don't see how you can forget it now!
