Perry Como, If I Had A Hammer

If I had a hammer I would hammer in the morning I'd hammer in the evening all over this land!

I'd hammer out the danger hammer out a warning I'd hammer 'bout the love between my brothers and my sisters all, all over this land . . . all over this land

If I had a bell I would ring it in the morning I'd ring it in the evening all over this land!

I'd ring out the danger ring out a warning I'd ring 'bout the love between my brothers and my sisters all, all over this land . . . all over this land

< instrumental break >

If I had a song
I would sing it in the morning
I'd sing it in the evening
all over this land!

I'd sing out the danger sing out a warning I'd sing about my brothers and my sisters all, all over this land . . . all over this land

Well, I got a hammer, and I got my bell and I got a song to sing all over this land! It's the hammer of justice! It's the bell of freedom! It's a song to sing about my brothers and my sisters all, all over this land!

- ... all over this land, all over this land, ... all over this land!
