

# Perry Como, If You Were Only Mine

If you were only mine,  
if you were only mine  
I know the sun would shine for me . . .  
I'd find my happiness,  
to be in your caress,  
my every fear and every tear, I'd lose dear . . .  
If you could understand,  
I know you'd lend a hand,  
to all the dreams I've planned for you . . .

Life would be so divine,  
I'd worship at your shrine,  
Sweetheart, if you were only mine!  
&lt; instrumental verse &gt;  
Life would be so divine,  
I'd worship at your shrine,  
Sweetheart, if you were only mine!
