

Perry Como, Let's Go To Church (Next Sunday Morning)

Ahhhh, Ahhhh, Ummmm!

Let's go to church, next Sunday morning,
let's kneel an' pray side by side.
Our love will grow, on Sunday morning,
if we have the Lord as our guide!

Through the week,
you love an' laugh an' labour,
but on Sunday . . .
don't forget to love thy neighbour!

Let's make a date,
for Sunday morning,
we'll go to church
you and I . . .

Let's go to church, next Sunday morning,
we'll see our friends on the way
We'll stand and sing, on Sunday morning . . .
and I'll hold your hand as we pray!

Through the week,
you love an' laugh an' labour,
but on Sunday . . .
don't forget to love thy neighbour!

Let's go to church,
next Sunday morning,
let's go through life
side by side.
