

# Perry Como, Meditation (Medita

In my loneliness . . .  
when you're gone and I'm all by myself,  
an' I need your caress,  
I just think of you, and the thought of you holding me near  
makes my loneliness soon disappear . . .

Though you're far away,  
I have only to close my eyes and you are back to stay,  
I just close my eyes and the sadness missing you brings,  
soon is gone and this heart of mine sings  
yes, I love you so, and that for me is all I need to know . . .

I will wait for you,

'till the sun falls out of the sky, for what else can I do?  
I will wait for you,  
meditating how sweet life will be when you come back to me . . .

&lt; instrumental break &gt;

I will wait for you, meditating how sweet life will be when you come back to me . . .  
Became these quiet nights of loving you!

( I will wait for you . . . ) Come back to me . . .
