Perry Como, Stop! And Think It Over

Why don't you stop! (click, click) and think it over ?
Before (click, click) you say it's over,
Because (click, click)
It'll never be over for me

(repeat verse)

Think of all the happy times we knew,
All the memories I shared with you . . .

(repeat verse)

Don't walk out the door and say goodbye,
Isn't what we had worth one more try?

(repeat verse)

I just don't know, what I would do,
Darling, without you,
What a cold an' lonely place this world would be . . .

If you leave me now, you'll hurt me so,
Just for ol' times sake before you go . . .

(repeat verse twice to fade)
