

Perry Como, That's Where I Came In

You were lonely, that's where I came in
I was lonely, that's how dreams begin
It was more than a moment of bliss
It's the first time I ever knew two hearts could kiss

When your eyes gave me that welcome sign
Something told me someday you'd be mine
The door of love was open, as I was passing by
And that's where I came in

< instrumental break >

When your eyes gave me that welcome sign
Something told me someday you'd be mine
The door of love was open, as I was passing by
And that's where I came in
