

Perry Como, There Must Be A Way

There must be a way to help me forget that we're through,
there must be a way to stop me from dreaming of you.
There must be a star in the skies that isn't reflecting your eyes,
I just don't know how to disguise, how much I miss you!

There must be a song that doesn't remind me of you,
there must be a kiss to thrill me like yours used to do!
I looked for a way to be happy, happy with somebody new,
Oh there must be a way, but I can't find that way without you!

< instrumental break >

I looked for a way to be happy, happy with somebody new,
Oh there must be a way, but I can't find that way without you!

Music by David Saxon with lyrics by Sammy Gallop
and Robert Cook, 1945
