

Perry Como, There's A Big Blue Cloud (Next To H

There's a big blue cloud next to heaven
where all wishes are stored
old an' new . . .

And each day an angel from heaven
looks them through,
picks a few to come true . . .

There are wishes from a kiddies prayer
from folks who are apart,
wished from afar . . .

From a grandma in her rockin' chair
and from a lover's heart,
wished on a star . . .

There's a big blue cloud next to heaven
where all wishes are stored
old an' new . . .

So be patient, leave it to heaven
and your wish will come true

someday soon . . .
