

Perry Como, Try A Little Tenderness

She may be weary,
but young girls they do get weary,
wearin' the same shabby dress yes,
but when she's weary,
try a little tenderness . . .

You know she's waitin'
just anticipatin"
all the things she may never possess
while she's without them
try a little tenderness . . .

It's not just sentimental no no,
she has her grief and her care,
and a word that's soft an' gentle,
makes it easier to bear . . .

You won't regret it no no,
women don't forget it,
love is their whole happiness,

it's all so easy,
just try a little tenderness . . .

< instrumental break >
You got ta squeeze her
don't tease her
baby baby
hit me na
na na na
you got ta squeeze her
don't tease her

You won't regret it,
women don't forget it,
love is their whole happiness,
it's all so easy,
try a little tenderness . . .
