

Perry Como, When Tonight Is Just A Memory

When tonight is just a memory
our love will still be new
In our hearts there'll still be melodies,
a love song warm an' true!

Though the world may change as time goes by,
we'll never change we two!
When tonight is just a memory
our love will still be new!

When tonight is just a memory
our love will still be new
In our hearts there'll still be melodies
a love song warm an' true

Though the world may change as time goes by
we'll never change we two!
When tonight is just a memory our love will still be new

Though the world may change as time goes by,
we'll never change we two!
When tonight is just a memory
our love will still be new!
