

Perry Como, You're Just In Love (I Wonder Why)

I hear singing and there's no one there,
I smell blossoms and the trees are bare,
All day long I seem to walk on air,
I wonder why, I wonder why ?

I keep tossing in my sleep at night,
And what's more I've lost my appetite,
Stars that used to twinkle in the skies,
Are twinkling in my eyes,
I wonder why ?

You don't need analyzin'
It is not so surprisin'
That you feel very strange but nice!
Your heart goes pitter patter
I know just what's the matter
Because I've been there once or twice!

Put your head on my shoulder
You need someone who's older
A rub-down with a velvet glove!
There is nothing you can take
To relieve that pleasant ache
You're not sick, you're just in love!

< repeat verse and chorus simultaneously >

Now you know why!
Now I know why!
I'm just in love!
